

# One-Week Classes

## For our Young Artists, Ages 5-7

9:00 am - 3:00 pm (dates listed below) Fee: \$180.00 per week (unless otherwise indicated)

**\*THEMED CREATIVE DRAMATICS BASED ON BOOKS:** Develop basic acting and storytelling skills through creative exercises, with an emphasis on play and the expression of imagination. Through storytelling and theater games, each class offers a different intriguing theme or focus, enabling students to choose more than one week to develop theater skills while having fun!

### **Magic Lamp & Flying Carpets** May 30-June 2 (4 days) Fee: \$144.00

Enter the realm of Aladdin and discover the magic of the ancient world.

### **Bugs, Trees & Tales** June 5-9

What lurks on leaves of green and lives high up in the canopy of the kapok tree? Discover the mysterious secrets of the rainforest!

### **Dinosaur Digs** June 12-16

Unearth your imagination and bring these ancient creatures to life. Are you more like a tyrannosaurus, a pterodactyl, or the leaf-eating brontosaurus ...? You decide!

### **Space Journey** June 19-23

Houston, we have NO problems to report! Come explore the spacious universe as we travel to different planets within our great solar system ... or just in your imagination!

### **Under the Sea** June 26-30

What grows in an octopus' garden? Do sponges have square pants? There are many creatures to discover if you look beneath the surface.

### **Pirates of Tampa Bay** July 3-7 (4 days) Fee: \$144.00

Arrggh! matey! Explore the great pirate vessels of our Tampa Bay region. What does Gasparilla really mean? Think you know? If not, you may have to walk the plank!

### **Mermaids & Manatees** July 10-14

Did you know that explorers such as Ponce de Leon thought manatees that inhabited Florida's coastal waters were actually women? Thus, the mythical mermaid came to life. What other similarities do these creatures share?

### **Backyard Explorers** July 17-21

Have you ever taken a journey to another world without leaving the comforts of your own neighborhood? Discover the mysteries that lie right outside your door.

### **Ice Age** July 24-28

Just as summer heat is becoming too hot to handle, take a trip back in time to when ICE blanketed the land. What made the woolly mammoth special? Think about it ... could you survive in all that snow and ice?

### **Kids Make Music** June 5-9 & June 12-16, 1:00-4:00pm

Fee: \$110.00 (+ text fee \$27.77, includes tax)

Children are introduced to music fundamentals through singing and exploration of keyboard/piano, violin, xylophone and percussion instruments. Classical masterpieces, traditional children's songs, world music and folk songs are used to explore musical concepts such as melody, phrasing, rhythm, tempo and dynamics. Instructors: Claire & Robert Franki

### **The one & only Owen** June 19-30, 9am-3:30pm

Fee: \$400.00 Performances: Friday, June 30, 11am & 4pm

From the imagination of Teaching Artist Nicole Haumesser comes a delightful story about a young earthworm, Owen, and his struggle to find his place in the bustle of daily life. Students explore the inner workings of storytelling, learn catchy songs, create characters and make them come to life on stage. Puppet maker Emily Harris leads students in assembling puppets, costume pieces and props. Instructor: Nicole Haumesser

**Class is limited to 25 participants.**

### **Dance of the Bumble Bees** July 17-21, 9:00am-noon

Fee: \$110.00 Using the music from Rimsky-Korsakov's *The Flight of the Bumblebee*, students focus on basic techniques of classical dance. Each day offers enjoyable learning experiences using movement and creative activities about bumblebees. Instructor: Stacey Enyart
